The Rotary Club

The Rotary Club of Grand Haven held its organizational meeting on November 11, 1929 and received its charter on December 27, 1929. There are currently over 90 happily-involved members – but we are always looking for additional members who understand the importance of always asking these questions before making a decision:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?
