

Run for the Playground

We run on the ice, they play in the sun

Friday, February 12, 2016 @ 6:30 p.m.

Downtown Grand Haven

Please consider sponsoring this annual fun run (5k) and walk (1 m) on a unique course from downtown Grand Haven, along the icy harbor to Lake Michigan.

The Rotary Club of Grand Haven will use proceeds from 2016 fundraisers to construct a climbing web in Bolt Park on the City's east side; there are no play structures of this kind in the tri cities area. It is for all ability levels and the kids will love it (and you will love being a part of something special).

\$500 sponsorships will go toward constructing this \$60,000 project in late 2016. All sponsors will be:

- listed in all advertisements in the Grand Haven Tribune
- mentioned in all coverage on local radio stations WAWL and WGHN
- listed on all posters placed throughout the tri cities this winter
- listed on all boards the night of the race
- entitled to five free entries
- invited to participate in ground breaking and ribbon cutting ceremonies
- invited to attend a Rotary luncheon to be recognized
